FAYETTE COUNTY PARKS & RECREATION DEPARTMENT BOOTH VENDOR AGREEMENT — GUY'S GARAGE SALE

- These rules may change at any time. Vendor agrees to abide by the latest rules. Booth vendors are NOT permitted to sell concessions (food or beverages) or titled vehicles such as cars, trucks, or motorcycles. Sellers are responsible for reporting and paying any applicable sales tax to the appropriate jurisdiction. Vendors must keep their immediate premises clean, sanitary and orderly. Vendors are not allowed to use FCPRD trash barrels to discard boxes, unwanted or unsold items.
- No rain date or refund due to inclement weather. Please plan accordingly. Applications will be handled on a first-come, first-served basis until full (usually sold out early). Individuals mailing in their registration should contact the Recreation Department to confirm that their registration has been received and approved. Cancellations that occur after applicant is accepted will be non-refundable. However, if we are given sufficient notice, a replacement may be found from the waitlist to reimburse you (less a **25% administrative fee**). Booth assignments will be emailed to registered vendors the week before the event.
- The primary vendor registering for the booth space must be 18 years old or older and is responsible for the items and assistant vendors within their booth space. Each vendor is limited to a total of 4 parking spaces. However, subletting booth space (such as to avoid non-resident fees) is prohibited.
- The Fayette County Parks & Recreation Department reserves the right to reject or remove from the sale any items considered unsuitable. As the name states, **this event is a GARAGE SALE**. The primary use of each booth space should be for the sale of garage-sale-type items.
- No titled vehicles permitted for sale including cars, trucks, and motorcycles. This includes visitor parking areas.
- There will be no electricity provided for vendor booths. We will supply an electrical outlet on the front porch for testing purposes only (such as to prove a radio works). No gas-powered generators are allowed (noise and fumes for adjacent vendors), but portable jumpstart power systems (battery operated) with 12v outlets are permitted.
- **Booth Set-up:** Please enter from the entrance on Redwine Road (see map) for Vendor Check-in.. You may arrive no earlier than 7:00 a.m. to set-up your booth space. Spaces will be clearly marked on the inside corner of each space. The early bird catches the worm, so expect shoppers to be here at or before 9:00 a.m. All items for sale must be displayed within your booth space (not on curb, grass or walkway).
- Vendor agrees to have booth set up and ready for viewing by 9:00 a.m. on Saturday and will not leave before 2:00 p.m. A no-show or no-call cancellation (less than 48 hrs. prior notice) , failure to have booth set-up by 8:00 a.m. and/or early departure for this event will jeopardize future participation. The display area can be congested during booth set-up. Please be courteous of other vendors and do not block their access to booths or park in their booth space. Please unload your items first, move your vehicles to the designated Vendor Parking areas, and **then** set-up your booth space.
- **No vehicle traffic (vendors or shoppers) will be allowed in the booth area between 8:45 a.m. and 2:00 p.m.** If you are late, you will need to park in the parking lot and carry your items to the booth space. Event staff and volunteers can assist you when possible. A load/unload zone (for customer pick-ups) will be next to the Redwine Rd. entrance. **Please tell shoppers to wait until (or return at) 2:00 p.m. to pick up any heavy items sold.**
- Vendors must provide their own display props such as tables, shelves, chairs, etc. Shade canopies are permitted, but they must be adequately secured with weights (no stakes). Items too heavy to carry may be displayed on a truck or trailer (prior approval required). However, the truck/trailer must remain in your booth space all day and may not leave the area until after 2:00 p.m. Vehicles may not be parked in your booth for use as a shade canopy.
- Should you choose to donate any unsold items to the charity, you must have them packed in boxes or bags and placed in the designated donation drop-off. Any items left after 2:30 p.m. will be donated to charity . A tax-deductible receipt for your donation can be requested from the charity. **Do not leave any mattresses, very large appliances, broken items, or trash. Vendors must sweep their booth space clean after Garage Sale.**
- **This recreation program is designed strictly for the benefit and enjoyment of all involved with safety being the #1 priority. Therefore, to protect the interest of all, we reserve the right to deny participation to any participant who neglects their responsibilities to other participants with respect to safety, conduct violations, or any other problems which detract from the program.**
